ACUTES - opportunity to go deeper

Reaction to acute symptoms/ general symptoms/
mind state/ dreams/ fears/ connection to earlier
stress

First 36 hours

Typical -
aconite/bryonia/gelsemium/rhus-tox/nux-vom/ch
ina/ars/bell

Work 40% of times

Rest other times

May require a deeper remedy which also has range of acute symptoms
of the patient and deeper their patterns s

Vague symptoms /or lack of reaction

Use nosodes like streptococcinum/pyrogen, etc
(whichever is indicated

Wait for a day

Followed by a deeper indicated
remedy

Multiple remedies

Remedy 1

some symptoms improve, new symptoms come up

Remedy 2

Symptoms improve after few days, few symptoms remains.

Deeper remedy or nosode needed

Ammonium mur

From boericke

Mind - Melancholy, apprehensive; like from internal grief. *Desire to cry*, but cannot. Consequences of grief.

Nose - Free acrid, hot watery discharge corroding the lip. Sneezing. Nose sore to touch; ulcerative pain in nostrils. *Loss of smell. Obstructed, stuffy feeling;* constant and unavailing efforts to blow it out. Itching.

Manganum aceticum

- Paroxysmal cough > lying, with lot of bitterness and resentment for family members.
- Pt. complains of dry cough which is *ameliorated by lying down*.
- Loose cough at night, dry in morning.
- Cough increases while talking loudly or using voice.
- Feels like listening to sad music , emotional movies.

Analysis

→ fright + flight sudden danger

sudden, intense, violent terror

→ flight or fight

blood

brutal attack
hit, strike
massacre

snakes

apoplexy

panic
fright
horror
shock
alarm
screaming
sudden outburst

SOLANACEAE

	☾
white	black
Life	death
Light	dark

- violent, terror, shock
- fright, panic, horror
- murder, darkness, killed
- explosive, bursting, pulsating
- monsters, ghosts, aggressors

→ Something happens sudden + with great intensity

- choking, shooting, tearing
- spasmodic
- jerking, riving
- constricting
- assassinate, execute
- ferocity, slay, slaughter
- hostility, terrify, fury

DD: (not so much sudden danger as the solanac. have
 Compositorae: injury → numbness or wants to injure in return
 Papaveraceae: extreme pain + suffering → painlessness
 Umbelliferae: sudden, unexpected attack / injury

= Nightshade / Potato / Tomato family

- BELLADONNA
- STRAMONIUM
- NICOTINUM
- HYOSCYAMINUM HYDROBROM.
- HYOSCYAMUS
- CAPSICUM
- DULCAMARA
- FABIANA IMBRICATA
- ATROPINUM
- TABACUM
- MANDRAGORA
- FRANKISCEA

Passive Reaction

- paralyzed by fear, faint
- sluggish, stupor
- cowardice
- anaesthetic, numb
- unconsciousness

Active Reaction

- sharp senses in the face of danger
- shrieking, in a great haste,
- panic, rage, escape
- startle out of sleep
- flight or fight situations
- spasms, cramps

Compensation

- courage in the face of danger

Hyoscyamus niger

- Dry, tickling cough especially when lying down, at night
- dreams of frightful devils.
- patient has become very religious since a few days.
- Dreams: sexual, frightful
- Dry spot - larynx

DD: Solanaceae: attack + violence
 Umbelliferae: unexpected attack
 Animals: Life and death fight

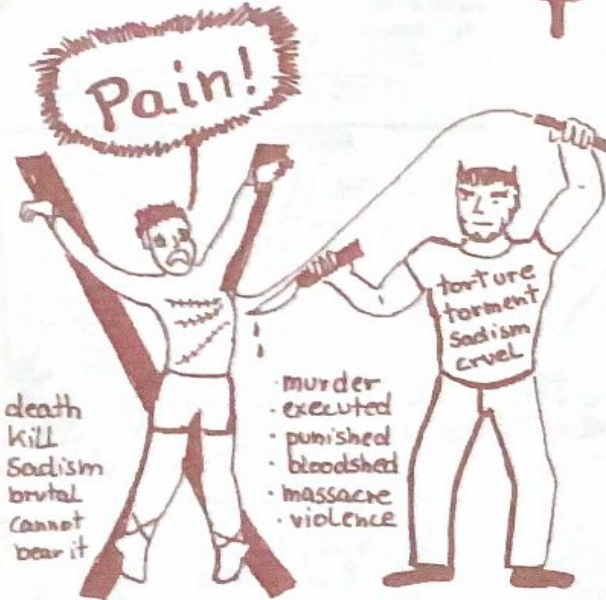

PAPAVERACEAE

(Poppy family)

- extreme pain + suffering
- Like being in hell
- fear of extreme pain
- intense physical/mental pain

- death
- kill
- Sadism
- brutal
- cannot bear it

- murder
- executed
- punished
- bloodshed
- massacre
- violence

- intense pain of any sort (facing death)
- torture, intense suffering
- fright and shock, accident, injury
- agony, hell like
- battle, combat, war, bombs,
- soldiers, homicide, murder
- executed, punished, strangled

Passive Reaction,

- feels nothing anymore
- painless
- anaesthesia
- narcolepsy, comatose,
- alive but feeling dead
- fainting, black out
- hibernation, numb
- paralyzed, lifeless

- bold, courage
- super strong
- fearless
- heroic
- defy

- MORPHINUM
- MORPHINUM SULPHURICUM
- APOMORPHINUM
- ARGEMONE MEX.
- CHELIDONIUM
- SANGUINARIUM NITRICUM
- SANGUINARIA CANADENSIS
- SUCLINICUM ACIDUM
- OPIUM
- CODEINUM
- FUMARIA OFFICINALIS
- CORYDALIS FORMOSA

Active Reaction

- pain makes mad
- rage
- violence
- convulsions
- numbness alternating with pain

Compensation

- not affected by pain, suffering or pleasure
- calmness in situations where there is great pain
- peaceful, calm
- meditation

Chelidonium

- Renal and liver complication with pneumonia
- Pain in lower angle of scapula
- Stupor with pneumonia
- Chilly; < hunger
- Restless of limbs, coldness of right foot
- Hemoptysis with dark colored expectoration
- Useful in early and late stages of pneumonia
- Tongue cracked
- < 4am - 4pm
- Right lower lobe
- Yellowish tinged skin

More rubrics

mind; SHAME (189)

chest; INFLAMMATION; lungs, pneumonia (249)

mind; DELUSIONS, imaginations; health, he has ruined his (7)

extremities; COLDNESS, chilliness; hands (344)

extremities; COLDNESS, chilliness; feet (423)

mind; DELUSIONS, imaginations; crime; committed, he had (63)

mind; TACITURN, indisposed to talk (449)

CONSCIENCE: ANXIETY OF, FEELS SHE HAS COMMITTED
THE UNPARDONABLE SIN AND WILL BE ETERNALLY LOST.

Hippozaenium

Glanders nosode. Glanderinum malleinum. Farcin. The nosode of glanders or farcy

It's one of Most effective Remedies for Infections , abscess of different syndromes and given up cases

It has been used in a large number of cases involving low forms of suppuration and catarrh. Malignant ulcerations and swellings, abscesses and enlarged glands and also in conditions similar in kind, but less in severity.

In worst Cases of NASAL Infections , Sinus Infections , Glandular infections – this remedy should be thought of

Keynotes

- Clarke used Hippoz. with excellent effects in cases of inveterate nasal catarrh and of glandular enlargement. The nasal affection may go on to ozaena, ulceration of nasal cartilages and bones.

Clarke Repertory –

- CATARRH: CHRONIC. 0>1>0
- COLDS: CHRONIC. 0>1>0
- NASAL CARTILAGES, ULCERATION OF. 0>1>0

- Esp has ***Rattling , Wheezing Like ANTIM TART*** - Bronchitis, especially in elderly persons, where suffocation from excessive secretion is imminent. Noisy breathing. Loud, snoring respiration before fatal termination, breath fetid.

Tubercular Miasm (Tubercular Infection in Background)

Pryogen - nosode

- Hyperpyrexia,
- Pulse out of proportion to temperature, whether increased or decreased,
- A sense of well - being in a patient even with high temperature.
- Pyrogen has the anxiety and restlessness of Ars., the prostration and coldness of Carbo veg.; the bruised soreness of Arnica; the bone pains and chills of Eupatorium; the relief from motion of Rhus tox.; and the rattling in the chest of Ant tart.
